This is the same facility we recently had a Cure Notice lifted and now we could find ourselves under another one (or a canceled contract). BOP central office suggested we go and meet with local onsite and the EVP consensus was that I along with Mike Nalley, Ops VP, need to be the ones to represent CCA. I am terribly sorry and hope that your brother-in-law or another Pinehurst member can fill in. I will certainly pay my portion of whoever I am leaving holding the bag. Really appreciate the invite and sorry about this.
